

Hidden Lakes is...

Is an exclusive unique part of Birches West. With beautiful natural characteristics of rolling hills, running streams and beautiful trees.

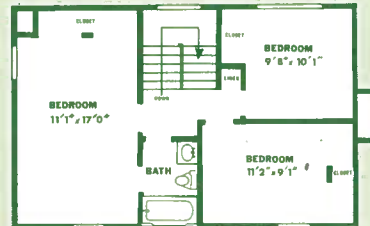

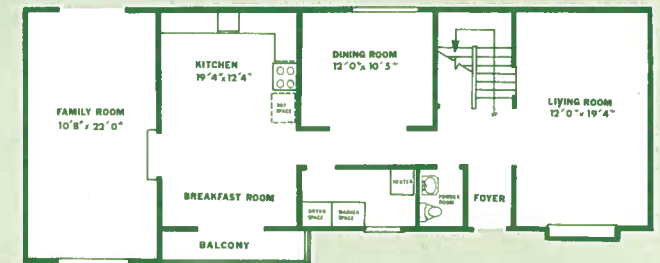

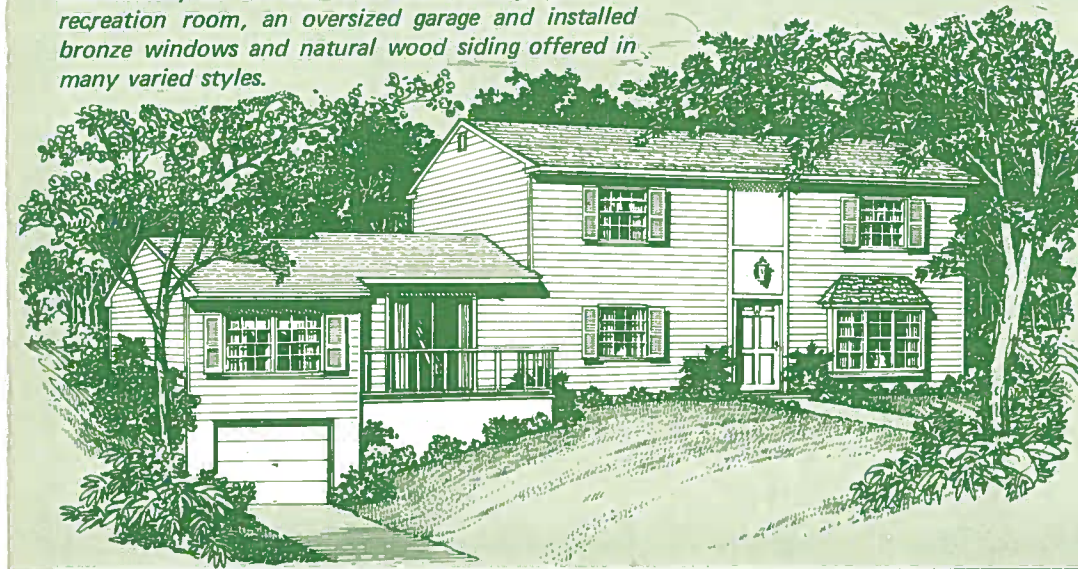

A 20 acre recreation and natural game reserve where squirrels hide their nuts in nests.

Where young Joe Esposito with the aid of nature, sculpts each home into the trees and the rolling grounds. And each house developing its own landscaping concept. Seeing is Believing. Let us make your family's dream come true at HIDDEN LAKES at the Birches West.

For appointment call - 589-2800 - Joe Esposito
And he will give you his personal attention and make your dreams come true.

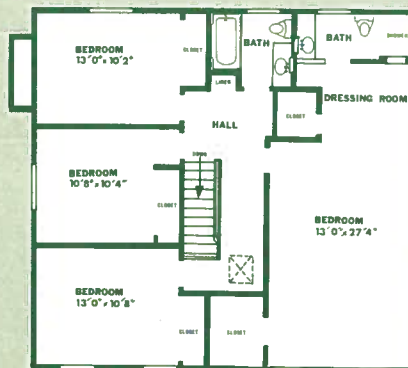

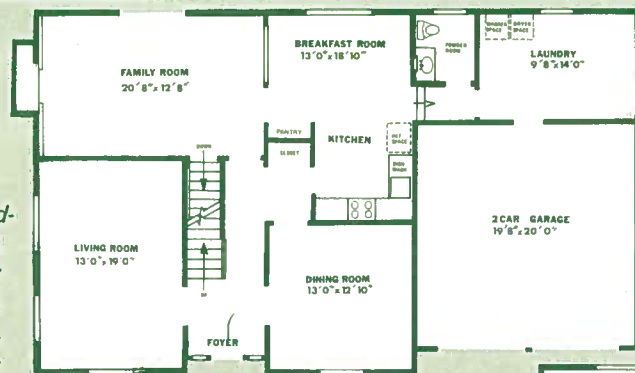

the General Patton

Here is a tall, unique contemporary home fashioned for today's life styles. It includes 3 large bedrooms, 1-1/2 baths, a new and exciting open stairway, a patio and balcony off the breakfast room, a large panelled recreation room, an oversized garage and installed bronze windows and natural wood siding offered in many varied styles.

the Delany

This colonial two story home features four large bedrooms, two and half baths, large kitchen, recreation room, all masonry fireplaces, mud room and laundry room. Extra special features such as a large basement, two car garage, all wood windows, aluminum siding, dishwasher, garbage disposal and wall to wall carpeting throughout are all included.

the Cliff House

The Cliff House is a new and exciting, 3 story home of the future. In this residence you will find 3 bedrooms, a large pool-size sunken tub, a spectacular, 3 story high spiral staircase with a skylight above the stairs and in the master bedroom, a balcony with patio door entry from the dining room, master room, living room, and bronze installed glass windows. Jersey fieldstone is used to add color and beauty to the entire front of this home.
